

Freedom for All the People in The Middle East

In the name of God our Dear Heavenly Father and our Dear Heavenly Mother, I AM THAT I AM, I call to our Blessed Sister, shining, radiant, and so precious to us, the Goddess of Liberty, to help each member of the U.S. Armed Forces, and our British, and Coalition allies, and especially, each member of the new Iraqi Government, Military, Security, and Police Forces, to anchor in their hearts and minds the following four jewels of powerful truth, so that each one will be able to say, from a point of immutable conviction within the depth of their own souls:

1. We fight for the opportunity for all future generations of the Iraqi people to live in freedom.
2. We fight to give the institutions of liberty a chance to grow.
3. We fight to give the whole Middle East the example that freedom and democracy can work, that it can deliver the treasures of peace and prosperity to all peoples.
4. Our efforts, our sacrifices, in pursuit of these goals, extend, day by day, out of the greatest and brightest flame of shining hope, dazzling and radiant within us, that all the peoples of the Middle East will one day have the opportunity to breathe the clear, sparkling, and invigorating air of true freedom. Verily this is the Will of God our Father and Mother, indeed the Father and Mother of all peoples, and all nations.
